

## Show up Blue Alert! Two important meetings this week need your voice.

Scary and important issues continue to emerge in Flagler County that pick away at our Democracy, slowly but surely. It's time to get re-engaged. We can't wait any longer. Our opponents never stopped. **Show Up Blue**, either virtually or in person, and speak up for knowledge and truth at these two meetings.

### 1) Flagler County Board of County Commissioners —MONDAY, NOV. 15, 5 pm

Gov't Services Domed Building, 1<sup>st</sup> Floor, Rt. 100, Bunnell

On the Agenda (Item 8-C) will be the Reorganization of the Board of County Commissioners. **Commissioner Joe Mullins must not be elected Chair.** Email the Commissioners. Come to the meeting. Stand up and speak up. Let's get the three votes against him.

Radical culture warriors, including two school board members, are using GOP national talking points to raise hell at Flagler County School Board meetings and behind the scenes.
